

ESTR Career Exploration Fall Practicum 2021

Thompson Rivers University
Horticulture and Landscaping

What I learnt and the work I accomplished

- I learned how to drive a zero-turn lawn mower
- I built a patio and took it apart
- I learnt how to divide an assortment of plants

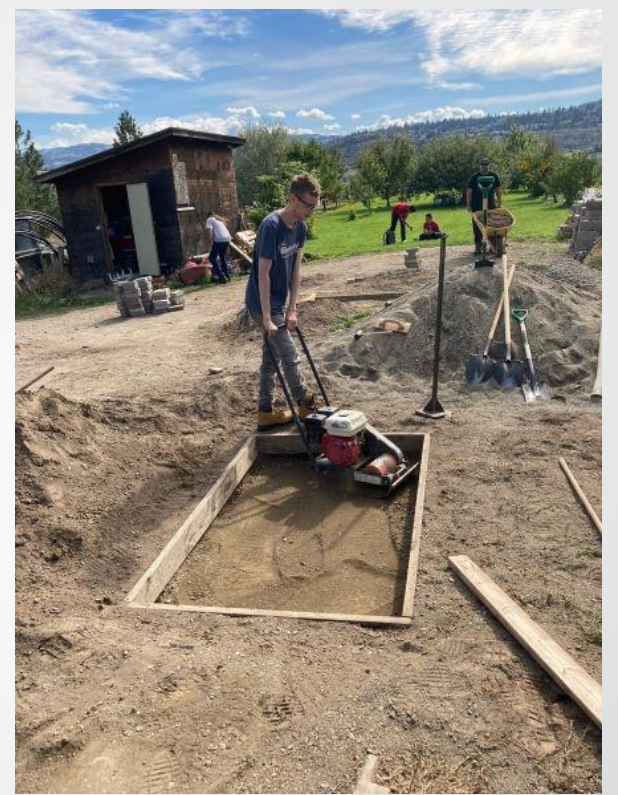

The employability skills I developed and demonstrated

- Arriving to work on time and ready to work
- Working with a team/being a team leader
- Finishing the job even when I was tired

The tasks I liked the most were:

- I loved putting the patio together and taking it apart
- Learning to how to drive whole bunch of different landscaping machinery

The tasks that gave me a challenge were:

- Learning how irrigation systems work

At the Practicum I learn that

- I work great on a team
- I love working with my hands and outside
- I enjoy looking at nature
